**WALKING DISTANCE:** 1/4 mile w/53 stair steps

**DURATION:** About 30 minutes

**ADMISSION:** \$5.00—AGE 13 & UP  
\$3.00—AGE 3 - 12  
FREE—age 2 & under w/guardian

# CASCADE CAVE FLASHLIGHT TOURS

The electric lights will be shut off and with your flashlight you can see what is hidden in the cracks and crevices along the cave's path. You will visit one undeveloped passage that is not offered on the commercial tour of the cave. Closed-toed shoes are required. You must be 5yrs or older to participate in the tour. **Must bring flashlight.**

**Tuesday, Thursday, Friday: 6:00PM**

# X-CAVE FLASHLIGHT TOURS

\*Flashlight tours of X-Cave are offered once daily. These tour times are noted by an asterisk. Lights are provided but use of your own flashlight is permitted.

## White-Nose Syndrome & Cave Tours

All Caves are closed  
except for park-led tours of X-Cave &  
Cascade Cave until further notice!

White-Nose Syndrome (WNS) is a disease that is killing 90-100% of hibernating bats in infected caves. In 2010, WNS was found in southern Ohio, which is only 90 miles from Carter Caves. WNS was found in Western Kentucky in 2011 and is slowly spreading throughout the state. Therefore, Carter Caves State Resort Park, like many other commercial caves and parks have done, is requiring all cave visitors to visit the White-Nose Station at the Welcome Center prior to cave tours and to comply with decontamination procedures.

### **HOW YOU CAN HELP**

Do not wear any shoes, clothing, or carry objects into X or Cascade Cave that you wore or carried into a previous cave or mine since 2005. Please leave any potentially contaminated objects at home, in your room, or in your vehicle. If you cannot change shoes after a tour in another cave or mine outside of Carter Caves Park, be prepared to sanitize your shoes before the tour begins. Arrive 30 minutes early for decontamination. This only involves a short 5-10minute process.

### **PROHIBITED ON CAVE TOURS**

Because of the possibility of White-Nose Syndrome contamination, the following are ***prohibited on cave tours***:

- Camera bags, tripods, strollers, backpacks, luggage, etc.
- Pets
- BAGS of any type, including purses, fanny packs, diaper bags, camera cases, etc. Bags containing necessary medicinal supplies are permitted.
- Sandals/flip-flops, etc. Please wear appropriate shoes that cover the entire foot for safety.

### **REQUIRED PARTICIPANT DECONTAMINATION PROTOCOL**

All cave touring participants at Carter Caves State Resort Park will be required to walk on bio-mats after exiting the cave tour. This process will require each individual to walk across the length of a nylon mat saturated with Lysol IC™ solution compared to that used in home cleaning. The solution cleans the soles of your shoes. This process will assist bat ecologists and will be a precaution to what WE CAN DO for the betterment of bat species. Thank you for your assistance with these procedures. **NOTE: Please review these procedures before you purchase any cave tour tickets as refunds cannot be issued at the Welcome Center.**

### **DIRECTIONS TO CASCADE CAVE**

Cascade Cave is 3.4 miles from here.  
Turn left out of the Welcome Center parking lot;  
turn right at the first stop sign onto Route 182;  
travel 1.6 miles on Route 182,  
turn right onto Route 209 at the  
top of the hill. Cascade Cave  
parking lot is 0.6 miles on the left.

Tours are led by trained guides and are  
conducted at a leisurely pace.

Questions are encouraged from  
tour participants.

Comfortable walking shoes with tread  
soles are encouraged  
(some surfaces may be wet and slick).

**MAY 28 – JUNE 17, 2012**  
(Early Summer Schedule)

**TICKETS ARE SOLD AT THE WELCOME CENTER.**

## **PUBLIC NOTICE**

**All Caves are closed except for park-led tours of  
X-Cave & Cascade Cave until further notice!**

White Nose Syndrome, a disease that is killing 90-100% of hibernating bats in infected caves, is getting closer to Carter Caves and has recently been found in Kentucky. The Dept. of Parks closed all the caves within Carter Caves SRP except for guided tours of X-Cave & Cascade Cave. This measure was taken to help prevent the introduction of White Nose Syndrome. For additional information on the White Nose Syndrome you can visit the following website:  
<http://www.fws.gov/WhiteNoseSyndrome/>

**TOUR SCHEDULE SUBJECT TO CHANGE  
WITHOUT NOTICE.**
